TRANSPORTATION GRANT REQUEST 2018/2019 YOUTH EDUCATION PROGRAM

The State Theatre helps to offset the cost of transporting students by bus to our Youth Education Program by awarding transportation grants. During the 2017/2018 school year, The State awarded \$6,500 in grant funds to nearly 40 schools throughout the region. The goal is to make our no-cost educational programs available to all children, in grades K through 6, who fall under the auspices of the Stanislaus County Office of Education (SCOE), our partners in these presentations.

To allow us to make these funds available to as many schools and children as possible, grants for transportation to and from Youth Education Programs will not exceed \$150 per round trip. Each request will be reviewed carefully and grants will be awarded based on need (including percentage of students qualifying for free and reduced cost lunches). A representative from The State Theatre will contact you to report on the status of your grant. We appreciate your support of our programs, and strive to make them available to all of the schools and children in our community who wish to attend. To this end, we do not charge for performances and presentations, and will assist, as funds allow, in underwriting transportation to and from our historic theater.

Please make sure that your class is registered through SCOE before you apply for a transportation grant.

(Please note that grants are awarded solely at the discretion of The State Theatre)

Date: _____ Percent enrollment in free or reduced-price meal program: _____ (Required)

School Name and District: _____

School Contact: _____ Title: _____

School Address: _____ Phone: _____

City: _____ State: _____ ZIP: _____
